Our value proposition is to provide 'affordable luxury'. And our newest project Kalpgaurav demonstrates that Luxury is affordable. Not only that, it's an invitation to eternal comfort that comes not only with the assurance of quality construction, but also that you will have an extended new family, and that everything is right around the corner, right where you want it to be.

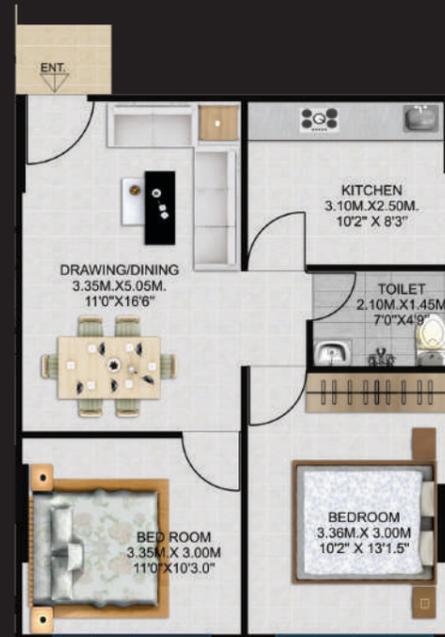

Daring to think beyond convention of just homes, we have perfected the art of blending great homes with great lifestyles. Today, 6 iconic addresses across Durg-Bhilai, stand testimony to our Brand's expertise in seeding and building, not just homes, but 'happy communities'.

We take pride in the way we stitch multiple facets of owning a home. We make it a good experience by stringing our six principles: Happy Communities, Superior Living, Clear Documentation, Timely Delivery, Desirable Destinations and Secure Environment.

Kalptaru Group has been providing 'home' solutions over past three decades and we are the leader in meeting the expectations of our customers. Quality, Reliability and Integrity are the three mantras we always preach and practice. Quality Living - It starts with us.
